

## Monsoon

Flume

I was pulled to you  
Like water to the moon  
You swell and I monsoon  
Only when you want to

Skies were fallin' but I loved you still  
Now I wonder, did you really ever love me?  
Darlin', hold me only when I'm good  
Now that I'm gone, did you really ever love me?  
Skies were fallin' but I loved you still  
Now I wonder, did you really ever love me?  
Darlin', hold me only when I'm good  
Now that I'm gone, what do you think about me?

Do you think about me? Do you dream about me?  
What do you think about me?  
Do you think about me? Do you dream about me?  
What do you think about me?

Now the night is through  
Everything's in bloom  
I'm still lost to you  
I shine when you do

Skies were fallin' but I loved you still  
Now I wonder, did you really ever love me?  
Darlin', hold me only when I'm good  
Now that I'm gone, what do you think about me?

Do you think about me? Do you dream about me?  
What do you think about me?  
Do you think about me? Do you dream about me?  
What do you think about?

Skies were fallin' but I loved you still  
Now I wonder, did you really ever love me?  
Darlin', hold me only when I'm good  
Now that I'm gone, what do you think about me?

Do you think about me? Do you dream about me?  
What do you think about me?  
Do you think about me? Do you dream about me?  
What do you think about?
