

Track 1

Flume

Hold up, can you hear me?

Yep

Okay, cool, cool

Um, um, just gonna play a bunch of stuff. You let me know if you like anything

Um, okay

What the f—, hold on man, calm down

Whatever that noise you just played right there

That scared the shit out of me

I want something (Alright, lo—), that's—

I'll keep it simple

A kick and a clap, a kick and a clap

Yeah

A kick and a clap like that, like that

Mm, yeah, there you go

That's that shit right there, I like that man, don't fuck it up

Uh, mm, mm, uh, uh, uh, okay, yeah, yeah

I like that, I like, I like, I like that

I do not like that, I don't like that at all

I lied, I lied on wax to make you feel better

But, I need something better than that

Ayy, ayy, ayy, ayy, ayy, okay, okay, okay, okay, uh

This the same ass beat as the last one you played

Dog, how the fuck you get paid?

Ayy, play something else today

Alright, alright, alright, alright, alright, uh, uh

Nigga, that was the same beat

Alright, yeah, yeah, I just thought maybe if I expanded on it, you'd be into it

No

Alright, here's something different

Here's something different, here's something different

Okay, what you got?

This beat right here is trash

This beat right here is ass

I wanna put that beat in a bag

And put the beat outside in the trash, uh

Alright, I get it

I hope you know how I feel about that (I, I, well yeah)

I'm bein' passive aggressive but—

I mean, it was aggressive-aggressive

Surely, surely (Bro), surely, there's something in there

Y-you-you know what's crazy, it's like they're almost good

I'm—I'm not like mad at you for makin' this shit, I'm just extremely disappointed that you would play this w—

Wait, wait, wait, wait

This one right here whack too

But I'ma pretend 'cause I like you

You play one more whack shit, I'ma fight you
C'mon Flume, this ain't like you

Fuckin' hell man, alright

How the fuck did you even make that?
I like, I know, I appreciate your honesty, it's just uh-
What instrument is that nigga?

It's tough to hear
Gimme that-
You big daddy Flume, dog
I'm tryna give you the fucking-
Where's the shit?

Ooh, ooh, ooh
Ooh, ooh, ooh, ooh
This a seven, this a seven
It's a four out of ten
Damn, that's not that good either
I'm not gon' lie, I will not lie to you man
You are a white man and I will tell you the truth
What the fuck?
Spooky ass clown pussy music
I can't believe this nigga Flume played a [?]
I can't believe you puttin' me through this

Alright, I got, I got, I got one more, I got one more
I get it, I get it, I get it, I get that-, I get it, this session's not goin'
' well

I don't know if this is workin' out, bro (One more)
I'm gonna-, I might have to, I might have to call Fred again.. bro
(laughs)
I can't, I can't, I don't know about this one
I don't know about this shit dog
I got, I got, I got one more

Lemme-, alright
Mm, ayy, woah
This one right here's alright
This, this, this is light
Ooh, this, this one here right
This one right here I like, this, this
Now, we're gettin' somewhere bro
You must've had your Vegemite this morning, didn't you?
Hold up, let this one ride dog, don't fuck this one up
I like this one, I like this one, hold up
Ayy, ayy, ayy, ayy, clap it up

How it's supposed to feel
How it's supposed to feel
Don't know if I ever been, tryna write down
How it's supposed to feel
Don't know if I ever been, tryna write down
How it's supposed to feel

Don't know if I ever been, tryna write down
How it's supposed to feel
Don't know if I ever been, tryna write down
How it's supposed to feel

Don't know if I ever been, tryna write down

How it's supposed to feel
Don't know if I ever been, tryna write down
How it's supposed to feel
Don't know if I ever been, tryna write down
How it's supposed to feel
Don't know if I ever been, tryna write down
How it's supposed to feel

Don't know if I ever been, tryna write down
Don't know if I ever been, tryna write down
