

See Thru You

Flunk

Everybody loves the way they do
Oh everybody cares a lot they do
Everybody knows our love will do
And they'll see through you

Everybody loves the way they do
Oh everybody cares a lot they do
Everybody knows our love will do
And they'll see through you

No one ever knows how I love you
No one ever feels like I feel you
Oh no one understand the way you do
And I'll see through you

Oh no one ever knows how I love you
No one ever feels like I feel you
Oh no one understand the way you do
And I'll see through you

Everybody loves the way they do
Oh everybody cares a lot they do
Everybody knows our love will do
And they'll see through you

No one ever knows how I love you
No one ever feels like feel you
Everybody knows, see through you
