

## On Repeat

Flux Pavilion

I'm scared of the scars that I left in the past  
They're weighing me down and I'm drowning so fast  
The tide is higher than it's ever been  
So take my hand and teach me how to swim

'Cause I don't wanna forget  
Don't wanna be filled with regret  
All of the good times we had  
All of the tears that we shed  
I hope the love isn't lost  
Baby, just tell me the cost  
'Cause it's so loud in my head, in my head  
Got you playing on repeat

Got you playing on repeat

'Cause I don't wanna forget  
Don't wanna be filled with regret  
All of the good times we had  
All of the tears that we shed  
I hope the love isn't lost  
Baby, just tell me the cost  
'Cause it's so loud in my head, in my head  
Got you playing on repeat

(Repeat, repeat, repeat, repeat  
Repeat, repeat, repeat, repeat  
Repeat, repeat...)  
In my head, in my head  
Got you playing on repeat

(Repeat, repeat, repeat, repeat  
Repeat, repeat, repeat, repeat)  
Got you playing on repeat  
(Repeat, repeat, repeat, repeat  
Repeat, repeat, re-)  
Got you playing on repeat  
(Repeat, repeat, repeat, repeat  
Repeat, repeat, repeat, repeat)  
Got you playing on repeat  
(Repeat, repeat) In my head  
(-peat, repeat) In my head  
Got you playing on repeat

'Cause I don't wanna forget  
Don't wanna be filled with regret  
All of the good times we had  
All of the tears that we shed  
I hope the love isn't lost  
Baby, just tell me the cost  
'Cause it's so loud in my head, in my head  
Got you playing on repeat

(Repeat, repeat, repeat  
Repeat, repeat)  
Got you playing on repeat  
(Repeat, repeat, repeat

Repeat, repeat)  
Got you playing on repeat  
(Repeat, repeat, repeat  
Repeat, repeat)  
Got you playing on repeat  
In my head, in my head  
Got you playing on repeat

(Repeat, repeat, repeat, repeat  
Repeat, repeat, repeat, re-)  
On repeat  
(-peat, repeat, repeat  
Repeat, repeat, repeat, repeat  
Repeat, repeat, repeat, repeat  
Repeat, re-)  
Got you playing on repeat  
(Repeat, repeat, repeat, repeat

Repeat, repeat, repeat, repeat  
Repeat, re-)  
Got you playing on repeat
