

Sink Your Teeth In

Flux Pavilion

Split me up
Sink your teeth in, sink your teeth in
Tell me what
I'm worth
What you're wasted, wasted on

Split me up
Sink your teeth in, sink your teeth in
Tell me what
I'm worth
What you're wasted, wasted on

Split me up
Sink your teeth in, sink your teeth in
Tell me what
I'm worth
What you're wasted, wasted on

Split me up
Sink your teeth in, sink your teeth in
Tell me what
I'm worth
What you're wasted, wasted on

Love you or hate me
I'll take anything
Say you're far from over it
But there's nothing else you'd rather be

Split me up
Sink your teeth in, sink your teeth in
Tell me what
I'm worth
What you're wasted, wasted on

Split me up
Sink your teeth in, sink your teeth in
Tell me what
I'm worth
What you're wasted, wasted on

Split me up
Sink your teeth in, sink your teeth in
Tell me what
I'm worth
What you're wasted, wasted on

Split me up
Sink your teeth in, sink your teeth in
Tell me what
I'm worth
What you're wasted, wasted on
