

Tick Tock

Flux Pavilion

Tick tock, tick tock...

Bang this riddim, drive em nuts
Bring em in and line em up
Overthinking, moving vicious
In the sights, then fire shots

I'm like hold up are you dizzy
I'm a wizard, you are not
Catch me outside on a mission
Turn it round, turn it up

Stone cold thriller
Off beat like j dilla
Rise from the sea like a King Kong killer
Kaiju king Godzilla
Fly round town in the dinger
Fass get munch like dinner
Can't take man for a singer
Life ain't safe the at the top
Tings get hot
Man get a box

60 seconds on the clock...

Tick tock, tick tock, tick tock...

Tick tock
60 seconds on the clock...

Tick tock
60 seconds on the clock...

Hold up
Just burnt my lip on a roll up
That steam deck screen look tun up
I'll take my tea in a tin cup
Oh shit
Times up and I'm pasted, spatched cock and I'm basted
White meat and I'm wasted
No one iller
Got that cabbage in slipper
Get gyal wet like flipper
On a top buzz like clipper
Flow so cold it shimmer
Give you goosebumps like man's hanz zimmer
Like it or not
Life ain't safe the at the top
Tings get hot
Man get a box
60 seconds on the clock

Tick tock
60 seconds on the clock...

Tick tock
60 seconds on the clock...
