

Don't Wanna Know

Fly By Midnight

I don't wanna know, know, know, know
Who's taking you home, home, home, home
And loving you so, so, so, so
The way I used to love you, no
I don't wanna know, know, know, know
Who's taking you home, home, home, home
And loving you so, so, so, so

Wasted, and the more I drink
The more I think about you
Oh, no no, I can't take it
Baby, everywhere I go reminds me of you

Do you think of me?
Of what we used to be?
Is it better now that I'm not around?
My friends are acting strange
They don't bring up your name
Are you happy now?
Are you happy now?

I don't wanna know, know, know, know
Who's taking you home, home, home, home
And loving you so, so, so, so
The way I used to love you, no
I don't wanna know, know, know, know
Who's taking you home, home, home, home
And loving you so, so, so, so
The way I used to love you, no
I don't wanna know

And every time I go out, yeah
I hear it from this one, hear it from that one
That you got someone new
I see, but don't believe it
Even in my head, you're still in my bed
Baby, I'm just a fool

Do you think of me?
Of what we used to be?
Is it better now that I'm not around?
My friends are acting strange
They don't bring up your name
Are you happy now?
Are you happy now?

I don't wanna know, know, know, know
Who's taking you home, home, home, home
And loving you so, so, so, so
The way I used to love you, no
I don't wanna know, know, know, know
Who's taking you home, home, home, home
And loving you so, so, so, so
The way I used to love you, no
I don't wanna know
