

# Lightning In A Bottle

Fly By Midnight

Finding it ain't easy  
When you don't know what  
What you've been missing  
Maybe I've been sleeping  
Waiting for someone to come hit me like a wave  
The type that takes you up to space  
Puts stupid smiles upon your face  
The kind that nothing can replace

It's cliché but these days

Oh you give me love like  
Oh you give me love like that  
Oh you give me love like  
Oh you give me love like that  
Makes me wanna strike back  
When you give me love like  
Lightning in a bottle  
In a bottle

Oh I wanna love like  
Oh I wanna love like that  
Wanna give you love like  
Wanna give you love like that  
Makes me wanna strike back  
When you give me love like  
Lightning in a bottle  
In a bottle

Something that's worth keeping  
Sometimes it comes right  
Right out of nowhere  
You'll think that you're dreaming  
Like if you blink then you might hit or miss the wave  
The type that takes you up to space  
Puts stupid smiles upon your face  
The kind that nothing can replace  
It's cliché but these days

Oh you give me love like  
Oh you give me love like that  
Oh you give me love like  
Oh you give me love like that  
Makes me wanna strike back  
When you give me love like  
Lightning in a bottle  
In a bottle

Oh I wanna love like  
Oh I wanna love like that  
Wanna give you love like  
Wanna give you love like that  
Makes me wanna strike back  
When you give me love like  
Lightning in a bottle  
In a bottle

I'll never give it back  
I'll never break that glass  
You give me love like that  
Lightning in a bottle  
In a bottle

Come on come on my baby come on come on  
Come on come on my baby come on come on  
Come on come on my baby come on come on  
Come on come on my baby come on come on

Come on come on my baby come on come on  
Come on come on my baby come on come on  
Come on come on my baby come on come on  
Come on come on my baby come on come on

Oh you give me love like  
Oh you give me love like that  
Oh you give me love like  
Oh you give me love like that  
Makes me wanna strike back  
When you give me love like  
Lightning in a bottle  
In a bottle

Oh I wanna love like  
Oh I wanna love like that  
Wanna give you love like  
Wanna give you love like that  
Makes me wanna strike back  
When you give me love like  
Lightning in a bottle  
In a bottle

I'll never give it back  
I'll never break that glass  
You give me love like that  
Lightning in a bottle  
In a bottle
