

Vibe

Fly By Midnight

I throw it your way, you're catchin' my vibe
I throw it your way, you're catchin' my vibe
I throw it your way, your way, your way
I throw it your way, your way, your way

Call me Christopher Columbus
'Cause I know you're across the room
So I'mma drink till I float
And I'll find a way to discover you
Your body talk like Tove Lo
Speak to me like ooh-la
Let that record spin like yo-yo, oh no
Here we go

Sex, drugs, rock the wave, ooh
Slow, go deep for me, ooh

I throw it your way, you're catchin' my vibe
I throw it your way, you're catchin' my vibe
I throw it your way, your way, your way
I throw it your way, your way, your way

Better not drop that shit
Ooh, that vibe, sexual desire
I say now, ooh, that vibe, sexual desire
Better not drop that shit
Ooh, that vibe, sexual desire
I say now, ooh, that vibe, ooh, that vibe

You're like Twizzlers on the top shelf
Sweet tooth, so I need a taste
Too high (I can't help myself)
And it won't stop till I reach you babe

Sex, drugs, rock the wave, ooh
Slow, go deep for me, ooh

I throw it your way, you're catchin' my vibe
I throw it your way, you're catchin' my vibe
I throw it your way, your way, your way
I throw it your way, your way, your way

Better not drop that shit
Ooh, that vibe, sexual desire
I say now, ooh, that vibe, sexual desire
Better not drop that shit
Ooh, that vibe, sexual desire
I say now, ooh, that vibe, ooh, that vibe

I throw it your way, you're catchin' my vibe
I throw it your way, you're catchin' my vibe
I throw it your way, your way, your way
I throw it your way, your way, your way

Ooh, that vibe, sexual desire
I say now, ooh, that vibe, sexual desire
Better not drop that shit

Ooh, that vibe, sexual desire
I say now, ooh, that vibe, ooh, that vibe

Ooh, that vibe, sexual desire
I say now, ooh, that vibe, sexual desire
Better not drop that shit
Ooh, that vibe, sexual desire
I say now, ooh, that vibe, ooh, that vibe

Ooh, that vibe, sexual desire
I say now, ooh, that vibe, sexual desire
I say now, ooh, that vibe
