

Waking Up

Fly By Midnight

Got me Sunday morning next to your body
I've been here before, usually hit the lobby
But it fits so good and it feels so good
Like an angel next to me, yeah
Got you Sunday morning next to my body

I'm on a paradise in Venice
It's been just one night
I'm in Utopia on ecstasy
Overdose my life
Oh, baby, baby, won't tell lies
I ain't never gonna close my eyes
No, baby, baby, won't tell lies
I ain't never gonna close my eyes

I'm waking up
(Ooh, na-na, yeah, ooh, na-na, yeah)
I'm waking up
(Ooh, na-na, yeah, ooh, na-na, yeah)
I'm waking up, no déjà vu
No, there's no one else like you
I'm waking up
(Ooh, na-na, yeah, ooh, na-na, yeah)
I'm waking up

Paradise, eye to eye
Got me waking up
No more lies
You and I
Got me waking up (Waking up)

Got me Monday morning, work to your body
Yeah, you're waitin' for me like it's your hobby
'Cause it fits so good and it feels so good
Like cloud nine next to me, yeah
Got you Monday morning, wait for my body

I'm on a paradise in Venice
It's been just one night
I'm in Utopia on ecstasy
Overdose my life
Oh, baby, baby, won't tell lies
I ain't never gonna close my eyes
No, baby, baby, won't tell lies
I ain't never gonna close my eyes

I'm waking up
(Ooh, na-na, yeah, ooh, na-na, yeah)
I'm waking up
(Ooh, na-na, yeah, ooh, na-na, yeah)
I'm waking up, no déjà vu
No, there's no one else like you
I'm waking up
(Ooh, na-na, yeah, ooh, na-na, yeah)
I'm waking up

Paradise, eye to eye

Got me waking up
No more lies
You and I
Got me waking up (Waking up)

Paradise, eye to eye
Got me waking up
No more lies
You and I
Got me waking up

I'm wakin', waking up
'Cause no one loves me down like you
Yeah, I'm wakin', waking up
'Cause no one loves me down like you
It's true

I'm wakin', waking up
(Paradise, eye to eye)
'Cause no one loves me down like you
(Got me waking up)
Yeah, I'm wakin', waking up
(No more lies, you and I)
'Cause no one loves me down like you
(Got me waking up)

I'm waking up
(Ooh, na-na, yeah, ooh, na-na, yeah)
I'm waking up
(Ooh, na-na, yeah, ooh, na-na, yeah)
I'm waking up, no déjà vu
'Cause there's no one else like you
I'm waking up
(Ooh, na-na, yeah, ooh, na-na, yeah)
I'm waking up

Paradise, eye to eye
Got me waking up
No more lies
You and I
Got me waking up (Waking up)

Paradise, eye to eye
Got me waking up
No more lies
You and I
Got me waking up (Waking up)
