

When She's Dancing

Fly By Midnight

She's so beautiful I could cry right now
But I won't
Cause I don't
The world's a stage and it's on fire right now
And I care
But she don't

Coffee and conversation
Opinions and obligations
Are dragging us all around
Now I'm trying to sell a vision
End up on the television
Before I'm 6 underground

While everything is falling apart

She's dancing
She's dancing on her bed
She's dancing
Oh, she looks so innocent
When she's dancing

She looks so alive I could die right now
But I won't
Cause I know
This rooms a mess but it's all we've got right now
So why care
When she's close

Money for medication
While booking a reservation
With nothing in our account
Yeah, ignorance ain't so bliss
When you know you're so ignorant
And you can't even block it out

While everything is falling apart

She's dancing
She's dancing on her bed
She's dancing
Oh, she looks so innocent
When she's dancing...
