

# Mango Bananas

Flyana Boss

Boys fall from the trees  
Straight to they knees  
Wanna be my main squeeze  
Juice me, juice me

We make men  
Go bananas  
We make  
Mango bananas  
Mix it up  
Na na na na  
We make  
Mango bananas

We make men  
Go bananas  
We make  
Mango bananas  
Shake it up  
Na na na na  
We make

When I walk in  
Heads up  
Minds blow  
Like bam  
My smile be blinding  
Like damn  
Energy so cut  
So clean  
I ain't no orange  
Can't squeeze on me

Whole crew queens  
Whole crew mean  
Whole foods please  
We eat green  
And that ain't kosher  
To be boasting  
All my girls gon' roast ya

My plum dark and  
Super sweet  
Only good boys  
Get a treat  
Got their eyes

All on me  
Oooohh weee

We make men  
Go bananas  
We make  
Mango bananas  
Mix it up  
Na na na na

We make  
Mango bananas

We make  
Mango bananas  
Shake it up

Oh my my my  
M-my cherry pie  
In between  
My thick thighs  
And my apple bottom jeans  
Got him begging on my knees  
Put my name on his peach  
Now he mine mine

Big mad  
You don't know where yo man go  
Clique bad  
He wanna taste the rainbow  
Oh I got the melons  
And he trying to feast  
He say he vegan I call him  
Soy bean

He 'bout to eat my  
Opples and bononos  
Pieces of my papaya  
Keep it on the low low  
Got all these hoes  
In a choke hold  
Punch like Hawaii  
Lick my acai
