

Spend It

Flyana Boss

If you got it
Imma get it
With my girls
We gon' spend it

If you got it
Imma get it
With my girls
We gon' spend it

If you got it

With my girls
We gon' spend it

If you got it

We be lookin' lavish
Y'all be lookin' average
All I see is green
All I eat is cabbage
Dancing on my friend
I poke it out she grab it
No matter what you spend
You still know you can't have it
It's a light flex
Nah we ain't bragging
That's my evil twin
And we moving like savages
His dick is Houdini
I pull it out like a rabbit
He hunting and wanting to put
His eggs in my basket

If you a baller
Shot caller
Put your hands up
Gimme them dollars
Throw it in the bag
I want commas
Everything you have
I want, I want

If you got it
Imma get it
With my girls
We gon' spend it

If you got it
Imma get it
With my girls
We gon' spend it

If you got it
Imma get it

With my girls
We gon' spend it

If you got it
Imma get it
Imma get it get it get it

If he broke
With no stroke
Let him go
Had to leave
Him on read
It's a no
If you lucky
Let you lick it
On the low
He said girl 'you bad'
Yeah I know
Plotting and scheming
I need this bag for a reason
Mama hungry need feeding
Mama need a new coat
Cold 'cause this bitch is anemic
Because I like to be scenic
Don't worry 'bout me hoe
If I spent it
I need it

If you a baller
Shot caller
Put your hands up
Gimme them dollars
Throw it in the bag
I want commas
Everything you have
I want, I want

If you got it
Imma get it
With my girls
We gon' spend it

If you got it
Imma get it
With my girls
We gon' spend it

If you got it
