

Stupendous

Flyana Boss

I'm doing good
Stupendous
I'm a star
Gather 'round
I need a witness

I'm doing good
Stupendous
How I'm balling on these hoes
Is kismet

Bitch
He got me dripping like a toaster strudel
This ain't a drawing naw bitch
This a doodle
Trying to feed me soup
Without a noodle
Got your man in the booth
And we canoodle

I don't really get down
Like you do
All these niggas say they pits
But they really poodles
Motherfuckin' high maintenance
Testing my motherfuckin' patients
In the doctor's office
Just waitin'

Hope I'm not pregnant with your baby
You ain't my man
You my maybe
Big big pimpin'
Call me Jay-Z
But I'm also Janet Jackson
What have you done for me lately?
Stupendous
I'm a star
Gather 'round
I need a witness

I'm doing good
Stupendous
How I'm balling on these hoes
Is kismet

I just woke up from a nap
And got three checks
Lazy bitches got my foot
On their neck
I like to ball
And I wreck
Call me Miley
What's good
Talk behind my back
But Ricky Smiley

Billionaire baby
No Kylie
Yeah I'm stuntin' on you
Very kindly
I write my own credit
Can't deny me
I don't stand in line
I get in for free

Hope I'm not pregnant with your baby
You ain't my man
You my maybe
Big big pimpin'
Call me Jay-Z
But I'm also Janet Jackson
What have you done for me lately?

Stupendous
I'm a star
Gather 'round
I need a witness

I'm doing good
Stupendous
How I'm balling on these hoes
Is kismet

I like my pancakes
With syrup
They playin' my song at the party
So I turn up
Just busted my tire
On the motherfucking curb
Oops did I do that?
Yes you did

I guess I gotta call AAA
AAA under 50 miles
So I ain't gotta pay
Got here in a jiffy
No traffic no delay
I'm relaxed just like a spliffy
Haters actin' iffy

Hope I'm not pregnant with your baby
You ain't my man
You my maybe
Big big pimpin'
Call me Jay-Z
But I'm also Janet Jackson
What have you done for me lately?
