

Ain't That A Lot Of Love

The Flying Burrito Brothers

I know the desert can't hold all the love
That I feel in my heart for you,
If I could spell it out across the sea,
I know my love would cover it up.

Ain't that a lotta love
For one heart to hold.

If the bees only knew how sweet you are, baby,
They would seal up their honeycomb.
If the birds could hear how sweet your voice is
They would tighten up their song.

(Ain't that a lotta love)
Ain't that a lotta love
For one heart to hold.

Your lips are so sweet honey, you're my ev'ry need,
You got a, ha, a smile so rare, a smile, girl, I can't compare.
Ain't that a lotta love, yeah.

If the cooks in the kitchen had a touch as hot as yours
They wouldn't need a fire, ha.
If the words in the world could describe you better
They wouldn't need the skys above.

Ain't that a lotta love
Ain't that a lotta love for one heart to hold.
Ain't that a lotta love
Ain't that a lotta love
Ain't that a lotta love
Ain't that a lotta love
Ain't that a lotta love
