The Flying Burrito Brothers

**G D Em G7 C G D**  
Hey Colorado it was not so long ago

**G D Em G7 C G G7**  
I left your mountains to try life on the road

**C G**  
Now I'm finished with that race

**G7 C G G7**  
it was much too fast a pace

**C G G7**  
And I think I know my place

**C G**  
Colorado I wanna come home

**D Em D**

**G D Em G7 C G D**  
There was a woman but I left her far behind

**G D Em G7 C G G7**  
I could have loved her if I only had the time

**C G G7**  
But I stopped along the way

**C G G7**  
just long enough to say

**C G G7**  
Lord I'd really really like to stay

**C G D**  
But my lady knows I've got to go

**Em D**

**Em D C G Em D C G**  
I was too young to know what I've done

**Em D C G F D7**  
I made my plans but I was wrong yes I was wrong

**G D Em G7 C G D**  
Hey Colorado is it too late to change my mind

**G D Em G7 C G G7**  
I've done some thinking and I'm trying hard to find

**C G**  
The way to come back home

**G7**

**C G**  
Oh I've been so very long alone

**G7**

**C G**  
Won't you take care of your own?

**G7 C G**  
Colorado I think I'm coming home
