

Do Right Woman

The Flying Burrito Brothers

Take me to heart and I'll always love you
And nobody else could make me do wrong
Take me for granted and I'll tag right along
Makes will power weak and temptation strong

A woman's only human this you must understand
She's not just a play thing she expects love just like a man
So if you want to do right all day woman
You gotta be a do right all night man

They say that's it's a man's world
But you can't prove that by me
But as long as we're together baby
You better show some respect for me

So if you want to do right all day woman
You gotta be a do right all night man
You gotta be a do right all night man
You gotta be a do right all night man
You gotta be a do right all night man
