

Linda Lu

The Flying Burrito Brothers

They call my baby Patty
But her real name, her real name
Her real name is Linda Lu
They call my baby Patty
But her real name, her real name
Her real name is Linda Lu

She's so fine and darn too pretty
I never know what that baby gonna do
She walkin' down the street
All the cats, all the cats, all the cats, turn to look around
She walkin' down the street
All the cats, all the cats, all the cats, turn to look around
She a fine dog-gone lady
She the best lookin' girl we had in this town

Gonna remember that girl on Saturday night
We go out for the rest of my nights
And in my roamin' and daisy too
And its all because of that chick...

Linda Linda Linda Linda Linda
Tell me what's you gonna do?

Had a real bad dream last night
I dreamed I went a stroll
You're a fine doggone lady
You're, you gonna break my heart in two
A Linda Lu
All right solo...

Linda Lu, Linda Lu, Lu Linda Linda Linda Linda Linda
T...t...tell me, w...w...what, is you gonna do?
Linda Linda L...Linda Linda Linda L...Linda
Baby what's you gonna do?
Had a real bad dream last night
She went and fucked Ronnie with the whole do
Oh...

Linda, tell me what's you gonna do?
Had a real bad dream last night honey
I dreamed, I dreamed, I dreamed, that we was through
You gonna put me down out and leave me
