

DMT Song

Flying Lotus

I can take you
To a world where you can spread your wings
And fly
Away

Patterned grid world
It waits where you and it have always
Been there from
The start

Maybe you and me are not so different
Different (different)

Maybe I will see your world in full
DMT (DMT)

As I'm dreaming
Wide awake, my body never leaves
The floor

I never
Want to come back, I belong where I am
At
