

Hey No, I can't seem to get it,  
And in my mind I'm bettin'  
My time's made up, I gotta' go...  
And it's alright if you want,  
To see through your tomorrow,  
But right, now I gotta' go...

If you want to stay then you can be here with me,  
But I can't let go of all this love, oh no, so easily...

I said, if you want to stay then you can be here with me,  
But I can't let go of all this love, oh no, so easily...

No I can't seem to forget,  
And in my mind (it's ready) My times made up, but I'm at home..  
.

And it's alright if you want, to be who you want to be...  
But right now, I gotta' go...

If you want to stay then you can be here with me,  
But I can't let go of all this love, oh no, so easily...

I said, if you want to stay then you can be here with me,  
But I can't let go of all this love, oh no, so easily...

If you want to go babe, you can...  
But hear me out...  
Oh, I can't let it go, oh so easily.  
So easily  
So easily

No, No, No...  
If You want,  
If you want,  
So easily...  
Its alright...  
Believe me it's alright...
