

# Time After Time

Flying Pickets

Lying in my bed I hear the clock tick,  
And think of you  
Caught up in circles confusion  
Is nothing new  
Flashback warm nights  
Almost left behind  
Suitcases of memories,  
Time after

Sometimes you picture me  
Im walking too far ahead  
Youre calling to me, I cant hear  
What youve said  
Then you say go slow  
I fall behind  
The second hand unwinds

If youre lost you can look and you will find me  
Time after time  
If you fall I will catch you Ill be waiting  
Time after time

If youre lost you can look and you will find me  
Time after time  
If you fall I will catch you Ill be waiting  
Time after time

After my picture fades and darkness has  
Turned to gray  
Watching through windows youre wondering  
If Im ok  
Secrets stolen from deep inside  
The drum beats out of time

If youre lost you can look and you will find me  
Time after time  
If you fall I will catch you Ill be waiting  
Time after time

You said go slow  
I fall behind  
The second hand unwinds

If youre lost you can look and you will find me  
Time after time  
If you fall I will catch you Ill be waiting  
Time after time

If youre lost you can look and you will find me  
Time after time  
If you fall I will catch you Ill be waiting  
Time after time

Time after time

Time after time

Time after time
