

# Mama

Flyleaf

What makes you happy  
What makes you smile  
And when you smile please  
Is it for real

I know you're not one  
One to pretend  
Even when I was a child

You grow up too fast  
And have to be brave  
Braver than most strong men  
That I've ever seen

Sing your song mama  
Sing it out loud  
I wanna hear your voice  
It's lovely sound

Little girl  
You can come out now  
The danger's all gone  
You can come out

All that you've held  
Was too much to hold  
So let it all go now  
And you will become gold

Sing your song mama  
Sing it out loud  
I wanna hear your voice  
It's lovely sound

Sing your song mama  
Sing it out loud  
Dance freely singing  
You're beautiful now

Laughter and tears  
Gracing your face  
The music of your strength  
Held up this place

Your daddy's right here now  
You can let go  
He's holding it all now  
And healing your soul

Sing your song mama  
Sing it out loud  
I wanna hear your voice  
It's lovely sound

Sing your song mama  
Sing it out loud  
Dance freely singing

You're beautiful know

There's something  
I'm trying to tell you and  
I've tried to tell you before and  
Each time that I profess it  
It just leaves me wanting more and

I think you are beautiful  
And I'm proud of you  
What I'm trying to say is  
I love you  
I love you
