

New Horizons

Flyleaf

So you're tired but you're alive
So open up your eyes
And you can get your sleep when you are dead
Kill the clock inside your head
Bring your normalcy to the edge
And watch it drown in new horizons
New horizons

You said I'd only have to wait until I die
And that's in no time
How did we come to thinking this was funny?
Cheering and laughing at the dying
While we're riding the line in You

Wait
You said I'd only have to wait until I die
(New horizon)
There is no such thing as time
Inside this moment no sun rising
Wait until I fly
(New horizon)
Wait until I fly
(New horizon)

Life floods in with a conquest
Life floods in with a new quest
He's a voice for the voiceless
And a song for the soulless
Life floods in

Wait
You said I'd only have to wait until I die
(New horizon)
There is no such thing as time
Inside this moment no sun rising
Wait until I fly
(New horizon)
Wait until I fly
(New horizon)

When the times keep going wrong and we go right
When the times keep going wrong and we go right

Wait
You said I'd only have to wait until I die
(New horizon)
There is no such thing as time
Inside this moment no sun rising
Wait until I fly
(New horizon)
Ah!
(Wait until I fly, new horizon)
We need you here!
(Wait until I fly, new horizon)

There is no such thing as time
Inside this moment no sun rising

Wait until I fly

When the times keep going wrong and we go right
We go right
