

Easy Tiger

Flyte

Tear the pages from my notebooks
Smoke me out the window
Find your new man
A matching outfit
Post a picture so I know

But go easy tiger
This is only going to get worse
Easy tiger
You're a survivor
But this is really going to hurt

Use a stranger
To get back at me
A punishment to fit the crime
I heard his old man's
A famous actor
Does he help you with your lines?

Easy tiger
This is only going to get worse
Easy tiger
We're both survivors
But this is really going to hurt
This is really going to hurt
This is really going to hurt
