

# Gone Girl

Flyte

Gone girl  
Exit the stage  
Chapter and verse  
I never wound up  
Turning the page

Ink on my fingers  
And tears in my eyes  
Never been good at goodbyes  
Out of the story  
And into the song  
Now you're  
Gone

Gone, gone, girl  
Gone, gone girl  
Gone, gone, girl

Gone girl  
Paper and pen  
Just an illusion  
Still, I feel her  
Losing a friend

Under the covers  
I read in the dark  
Feeling you  
Filling my heart  
Back to the infinite  
Where you belong  
Now you're  
Gone

Gone, gone, girl  
Gone, gone girl  
Gone, gone, girl

Ink on my fingers  
And tears in my eyes  
Never been good at goodbyes  
Out of the story  
And into the song  
Now you're  
Gone

Gone, gone, girl  
Gone, gone girl  
Gone, gone, girl
