

Where Nobody Knows Your Name

Flyte

Traveling down, following the river
Leaving town, a ticket for a train
To a city of light where nobody knows your name

Restless eyes whispering in the doorway
Under starless skies you give yourself away
Out in the cold where nobody knows your name

And you're not alone
You're not alone
You're not alone

Endless crowd, shoulder to shoulder
Looking for love or chasing fame
Lost in a world where nobody knows your name

And you're not alone
You're not alone
You're not alone

Now you're traveling down, following the river
You're coming on home, the memory holds no place
Out of the earth and in from the rain
Where nobody knows your name
Where nobody knows your name
Where nobody knows your name
