FM Belfast

This is all about us  
We're gonna break your heart in two  
We're going on a holiday  
Holiday  
A holiday

We've travelled from far away  
In hopes you'll find us someday  
And we'll stay in your mind forever

We've travelled from far away  
In hopes you'll find us someday  
And we'll stay in your mind forever

This is not the end  
This is not the end  
We still have a few more places to go  
To go  
To go  
To go  
To go

We've travelled from far away  
In hopes you'll find us someday  
And we'll stay in your mind forever
