I am killing in the name of !
Some of those who were forces are the same that burn crosses
I am killing in the name of !

Fuck you !
I won't do what you tell me

And now... You do what they told you

Those who died are justified, for wearing the badge, they're the
chosen whites
You justify those who died

I am killing in the name of !
Fuck you !
I won't do what you tell me

And now... You do what they told you

I am killing in the name of !
Fuck you !
I won't do what you tell me

And now... You do what they told you

Those who died are justified, for wearing the badge, they're the
chosen whites
You justify those who died x2

I am killing in the name of !
Fuck you !
I won't do what you tell me
