

A Really Nice Piece Of Art

FM Static

I've tried not to let anyone in until now,
I guess conversations never allow.
And I've been feelin' like I'm on some
sort of merry go round.
And I know. I know. Yeah I know. I know.

And I've tried not to let anyone in until now,
It took time for me to figure it out.
And when I feel like I'm complacent
with my head in the clouds, I know
I know, yeah I know, I know

And every time I wonder what's real
you make me feel

You make me feel, like a lavender sweater,
When I'm caught in bad weather,
In my Volkswagon Jetta.
You make me feel like a complete work of art,
When I'm just falling apart.
A really nice piece of art... (echo)

Dear God, I hope you hear me...

And I've tried not to let anyone in until now.
Misunderstandings are an easy way out.
And I've been feelin' all this pressure just
to figure it out.

And I know that if I just stay strong I can make it,
and try harder when I just can't take it
and when everything around me
feels so broken and jaded,
I know, I know, yeah I know, I know

And every time I wonder what's real
you make me feel

You make me feel, like a lavender sweater,
When I'm caught in bad weather,
In my Volkswagon Jetta.
You make me feel like a complete work of art,
When I'm just falling apart
A really nice piece of art...(echo)

It's kinda warped but it's picking up slowly,
I don't know, but I can if you show me,
I guess sometimes it takes more than
just fake conversations, to feel like I know that,
It's kinda hard when I'm plannin' for somethin'
to get across this hole without jumpin'
I guess sometimes it takes more
than false information to find out who we are...

You make me feel, like a lavender sweater,
When I'm caught in bad weather,
In my Volkswagon Jetta.

You make me feel like a complete work of art,
When I'm just falling apart.
A really nice piece of art...
