Astronauts 'n All

Hey, I hear the future birds It's called spaceships, astronauts and all Let's trade all these types of things for wings

Hey, I hear the future birds It's called spaceships, astronauts and all Let's trade all these types of things for wings

Make it happen, boys and girls Make it happen, boys and girls Make it happen, boys and girls Make it happen, boys and girls

Make it happen, boys and girls Make it happen, boys and girls

Hey, I hear the future birds It's called spaceships, astronauts and all Let's trade all these types of things for wings
