

Balloons

Foals

There's a thing called

There's this thing called

We fly balloons on this fuel called

We fly balloons on this fuel called love

What's a chkacha?

What's a fuel called?

Fairweather storms are in your head

Fairweather storms are in your head

We fly balloons on this fuel called love

We fly balloons on this fuel called love

We fly balloons on this fuel called

We fly balloons on this fuel called love

There's a thing called

There's a thing called

There's a thing called

There's a thing called

There's a thing called

There's a thing called

There's a thing called

There's a thing called

We fly balloons on this fuel called love

We fly balloons on this fuel called love

We fly balloons on this fuel called

We fly balloons on this fuel called love

We fly balloons on this fuel called love

We fly balloons on this fuel called love

We fly balloons on this fuel called

We fly balloons on this fuel called love
