

# Late Night

Foals

Dm Dm C B (2x)

Dm Dm C  
Oh, I hoped that you were somebody,

B Dm  
someone I could count

Dm C  
to pull me to my feet again,

B Dm  
when I was in doubt.

Dm C  
Oh now Mama, do you hear me

B Dm  
calling out your name?

Dm C  
Oh now Mama, do you hear me

B Dm F C  
calling out your name?

B Dm F C B  
Calling out your name?

Dm Dm C B  
Now I'm the last cowboy in this town.

Dm Dm C B  
Empty veins and my plastic, broken crown.

Dm Dm C B  
They said I swam the sea then ran aground.

Dm Dm C B  
They said I once was lost, but now I'm truly found.

Dm Dm C  
And I know the place but not the wave.

B Dm  
I feel, I feel no shame.

Dm C  
Oh now Mama, do you hear my fear?

B Dm F C  
It's coming after me!

B Dm F C  
Calling out your name!

B Dm F C B  
Calling out your name!

Dm F C B  
Staaaaaaaaay with me.

Dm F C B  
Staaaaaaaaay with me.

B C Gm Am (2x)

B C  
Then you threw your heart away.

Gm Am  
Oh I know just what to say.

B C  
Through the phone cord; it can wait.

Gm Am

We've still got time to say.

**B** **C**  
And I know you ran away.

**Gm** **Am**  
Oh I know but I'm feeling okay.

**B** **C**  
But now I found love and the feeling wont go.

**Gm** **Am**  
Now I found love but the feeling wont go!

**B**  
See you walk away!

**C** **Gm**  
Feeling okay, now!

**Am**  
Happy now?

**Dm F C B**  
Staaaaaaaaay with me!

Dm Dm C Bb (9x)

**Dm**
