Like Lightning

Foals

It’s about that time when
I gotta throw lightning
I could’ve been something
Without you now

It’s about that time when
I gotta do something
Gotta be like lightning
Be somebody new now

Like lightning

I know my way back
I’ve seen that sky collapse
I’ve heard that thunder clap
I’ve seen that lightning crack

I know my way home
I’ll mend those broken bones
I’ve seen that lightning crack

Don’t just think about yourself
(Get some help) Go get some help
(They’re coming for you)
They’re coming for you

Don't just think about yourself
(You need help) Just get some help
(They're coming for you)
They're coming for you

It’s about that time when
I gotta throw lightning
I could’ve been something
Without you now

It’s about that time when
I gotta do something
Gotta be like lightning
Be somebody new now

Lightning
They're coming for you now

Under a setting sun
I will not be undone
My day has just begun
Come here, break me off some

Under a setting sun
I will not be undone
My day has just begun

Don’t just think about yourself
(Get some help) Get some help
(They’re coming for you)
They’re coming for you

(Be somebody new)

Don't just think about yourself
(You need help) Just get some help
(They're coming for you)
They're coming for you
(Be somebody new)
Out of the blue

You should think about yourself
You should get some help
(They're coming for you)
They're coming for you
(Be somebody new)
Be somebody new

You just think about yourself
You should get some help
Be somebody new

It’s about that time when
I gotta throw lightning
I could’ve been something
Without you now

It’s about that time when
I gotta do something
Gotta be like lightning
Be somebody new now
