

See Ya Later

Foetus

Let's go
Gentlemen - start your engines
See ya later Nikita
You got any final wishes?
From your favorite mosquito
The noose is looming, the noose is looming
Living in dread with your fragile brain
And the executioner's got your number
It's so easy to pick up a gun
And so so hard to put it down

Hey hey hidy ho, hey hey hidy ho
Hey hey hidy ho, hey hey hidy ho
Let's go

Hey hey hidy ho
See ya later Nikita
You got any final wishes?
From your favorite mosquito
The noose is looming, the noose is looming
Living in dread with your fragile brain
And the executioner's got your number
Hey hey hidy ho, hey hey hidy ho Hey hey hidy ho
Let's go
If irresponsibility's a crime
I've got five life terms without parole

Hey hey hidy ho, hey hey hidy ho
Hey hey hidy ho
Let's go

It's so easy to pick up a gun
And so so hard to put it down
Hey hey hidy ho

See ya later --- See ya later
See ya later --- See ya later
Arrivederci --- Sayonora
Bon voyage --- Adios
Adios --- Au revoir
Au revoir --- Auf Wiedersehen

Living in dread with your fragile brain
And the executioner's got your number
Arrivederci --- Sayonora
Bon voyage --- Farewell
So long --- So long
Hasta la vista --- Good-bye

See ya later --- See ya later
See ya later --- See ya later
See ya later --- See ya later
