

Let Me Love You Baby

Foghat

I said, ooh wee baby, I declare, you sure look fine
I said, ooh wee baby, I declare, you sure look fine
Well a girl like you would love to make me change my mind

I said, baby, when you walk, you shake like a willow tree
I said, baby, when you walk, you know, you shake like a willow tree
Well a girl like you would love to make a fool of me

Let me love you baby, let me love you baby
Let me love you baby, let me love you baby
Let me love you darlin' 'til your good love drives me crazy

Let me love you baby, let me love you baby
Let me love you baby, let me love you baby
Let me love you darlin' 'til your good love drives me crazy

Let me love you baby, let me love you baby
Let me love you little darlin', let me love you baby
Let me love you baby 'til your good love drives me crazy
