

She's Got A Ring In His Nose

Foghat

Well, it ain't somethin' that I like to see
And I hope it never really happens to me
When ya see a smiling woman and a frowning man
She got a ring in his nose and a ring on her hand

Well, I know a guy and he was real funky ya know
That was of course until he got lucky
When ya see a smiling woman and a, a frowning man
She got a ring in his nose and a ring on her hand

Well, I know you guys think you all right
One you got well, she's all right
When you see a smiling woman and a frowning man
She got a ring in his nose and a ring on her hand
Alright

Well, I know a guy and he was real funky
That was of course until he got lucky
When you see a smiling woman and a frowning man
She got a ring in his nose and a ring on her hand

Well, I know all you men think you all right
And the one you got well she's all right
When you see a smiling woman and a frowning man
She got a ring in his nose and a ring on her hand
Ring in his nose and a ring on her hand
Ring in his nose and a ring on her hand
Ring in his nose and a ring on her hand
Ring in his nose and a ring on her hand

Yes, that's right
Everybody's got to be unlucky sometime
That's the way it goes
