

Changed my name to "promise you", yeah
Dying inside 'cause I want to, yeah
Didn't I say I wanted to, yeah?
Honey, I'd changed before you, yeah
Twenty-eight years are coming to end
The rain chased me down the gully again
Now I'm higher than anyone here
And dirt ain't nothing on me, yeah

B-b-b, baby, I swear it, I wanted to call
But on my way round, I happened to fall
She's a MUA at Carnegie hall
In her vanity mirror, we're losing it all
Well we shackled up swift abandonment way
Catch the sweet rain inside a beret
I'm in it, I'm reflecting all of the day
And I will fade in the night, yeah

Will you apologise
For the remainder of your life?
Do you accept the charges?
I promise you I'll promise to, yeah

Well now she
Curls up with his favourite son
He's the ugliest man in heaven for one
As long as there's nobody fooling me there
Then dirt ain't nothing on me, yeah, yeah
They threw me out like I was a wedding bouquet
Now I can't quite remember what I had to say
Till I get higher than everyone here
And I will fade in the night, yeah

In the charmless morning
I promise to be gone
I almost felt the feeling
That I wanted to, I wanted to, yeah, ah
You thought I was here
But I am farther than the sun, the sun

Ah, silent as the feeling
That I've promised you, I promise you, yeah

Well, I changed my name to "promise you", yeah
It's easier than making apologies, yeah
Now I'm higher than anyone, yeah
And dirt ain't nothing on me, yeah
