Is it getting better  
Or do you feel the same?  
Will it make it easier on you, now  
You got someone to blame?

You say one love, one life  
When it's one need in the night  
One love, we get to share it  
Leaves you, baby, if you don't care for it

Did I disappoint you  
Or leave a bad taste in your mouth?  
You act like you never had love  
And you want me to go without

Did I ask too much? More than a lot  
You gave me nothing, now it's all I got  
We're one, but we're not the same  
Well, we carry each other, carry each other

You say love is a temple, love a higher law  
Love is a temple, love the higher law  
You ask me to enter, but then you make me crawl  
I can't be holding on to what you got  
When all you got is hurt

One love, one life  
It's one need in the night  
One love, we get to share it  
Leaves you, baby, if you don't care  
One
