Foo Fighters

E H A
Where you off to with that head of yours
E H A
Is there somewhere you should be
E H A
Was it something that I said the time I held you down
E H A F#
And told you it's not you, it's only me, baby

A E F#
Don't take what I don't need
(Give me back my piece of mind)
A E F#
Don't say what I don't mean
(Give me back my precious time)
A E F#
No way you'll silence me
E
You'll see

E H A
What you up to now your mirror's gone?
E H A
Is there someone you should be?
E H A
Did you think I was just fooling around with you?

E H A
But, honestly
E H A
But, honestly
E H A F#
But, honestly

A E F#
Don't take what I don't need
(Give me back my piece of mind)
A E F#
Don't say what I don't mean
(Give me back my precious time)
A E F#
No way you'll silence me
(Give me back my piece of mind)
A E F#
No where to hide from me
E
You'll see

H C#mi
And tonight I thank the stars
C
As I count my lucky scars
E
For everything you've given me
H C#mi
And all the words I gave to you
C

Something borrowed, something blue
If you want them back

E
I'll give it to you

D
I'll give it to you

C
I'll give it to you

A
I'll give it to you (4x)

E
I don't want one thing that I gave to you

D
I don't want one thing that I gave to you

C
I don't want one thing that I gave to you

A
I don't want one thing that I gave to you (2x)
