Come Back

Foo Fighters

```
   C#mi E    H F#
1. Moving again
   C#mi    E       H  F#
   comfort of the chase
   F#  E   H F#
   now and again
   C#       E       H  F#
   this my saving grace

    C#          E              H        F#
R1: Dead on the inside I've got nothing to prove
    C#      E          H           F#
   keep me alive and give me something to lose
   C#  E
   goodbye
   H    F#       C#mi E    H F#
   this time I'm leaving you

            A
   I've been gone so long
   so gone so long
   but

   C#mi        E    F#         As
R2: I will come back, I will come back,
   E         F#   A        H
   I will come back, I will come back
   C#mi        E    F#         As
   I will come back, I will come back,
   E         F#   A        H
   I will come back, I will come back  for you

2. Changes changing
   back and forth again
   trading places
   strangers in the end

R1: Dead on the inside...

R2: I will come back...

C# E F# C# E F# A
for you

C#mi E H F#

C#mi Asmi H F#

R2: I will come back...

C#

I will come back
I will come back
I will come back
I will come back
```
