

# Everlong

Foo Fighters

**D** **Hmi**  
1. Hello I've waited here for you

**G** **Hmi**

**Everlong**

**D** **Hmi**

Tonight I throw myself into

**G** **Hmi**

And out of the red out of her head she sang

2. Come down and waste away with me

Down with me

Slow how you wanted it to be

Over my head, out of my head she sang

**D A D**

R: And I wonder

**A** **D**

When I sing along with you

**Hmi** **G** **D**

If everything could ever feel this real forever

**Hmi** **G** **D**

If anything could ever be this good again

**Hmi** **G**

The only thing I'll ever ask of you

**D** **A** **G**

You've got to promise not to stop when I say when

She said

3. Breathe out so I can breathe you in

Hold you in

And now I know you've always been

Out of your head out of my head I sang

R: And I wonder...

**D**

And I wonder

If everything could ever feel this real forever

If anything could ever be this good again

The only thing I'll ever ask of you

You've got to promise not to stop when I say when
