```
Gmi
1. Hey you
       F#
  Are you in there
               Gmi
  I'm stuck outside you
  We could use
  One another
  Another like you
          F#
   Gmi
R1: You be my passerby
    I'll be your new one to pass through
   Gmi
   Screws inside
   F#
   Turn so tight
   Turning on you
   I'm hanging on you
2. Me and you
  Going nowhere
  I'm right beside you
  Me and you
  Going nowhere
  I'm right beside you
R1: You be my passerby...
                Es
R2: Taking you as low as you go
   As low as you go
          Es
    Taking you as low as you go
     Es
   As low as you go
Ooh, ooh, ooh
R1: You be my passerby...
R3: Taking you as low as you go
   (Low as you go)
   As low as you go
   (Low as you go)
   Taking you as low as you go
```

As low as you go

(Low as you go)
As low as you go
(Low as you go)

Low as you go

Ooh, ooh

R2: Taking you...

R3: Taking you...
