

New Way Home

Foo Fighters

A F#mi D A F#mi D

A7 **F#mi**
have you found your way around the down and out?

G **D** **D7**
I know it must seem long so long

A7 **F#mi**
I'm still trying to keep this time from running out

G
head down

D **D7**
always moving on and on and on

I never heard this warning
another early morning
takes me
wakes me into
if you could manage me
I'll try to manage you
but lately it's all I ever do

A **F** **D** **G**
I felt like this on my way home

F
I'm not scared

A **F** **D** **G**
I pass the boats in the kingdome

F
I'm not scared

A **E**
I'll never tell you the secret I'm holding

A E
I know these things must bore you

A **E F#**
but I can't find another way

A **E**
I'll never tell you the secrets I'm holding

A E
I love this leash that holds me

F#mi **G**
when I try to run away
