G5 **Dadd4 Csus2**
I'm in the sky tonight,
G5 **Dadd4 Csus2**
there I can keep by your side
G5 **Dadd4 Csus2 A7**
Watching the wide world riot and hiding out
Csus2 **Dadd4 G5**
I'll be coming home next year

Into the sun we climb
climbing our wings will burn white
everyone strapped in tight
we'll ride it out
I'll be coming home next year

Cadd9 **G5**
Come on get on get on
Cadd9 **G5**
take it till the life runs out
Cadd9
noone can find us now,
Cadd9 **A7**
living with out heads underground

G5 **Dadd4 Cadd9**
Into the night we shine
G5 **Dadd4 Cadd9**
lighting whe way we glide by
G5 **Dadd4 Cadd9**
catch me if I get too high
 A7
when I come down
Cadd9 **Dadd4 G5**
I'll be coming home next year

I'm in the sky tonight
there I can keep by your side
watching the whole world wind around and round
I'll be coming home next year

Cadd9 **Dadd4 G5 C**
I'll be coming home next year
Cadd9 **Dadd4 G5**
I'll be coming home next year
Cadd9 **Dadd4 G5**
