

# Nothing At All

Foo Fighters

I've been meaning to tell you  
I've been out of my head  
Left my heart on your doorstep  
Left your hat on my bed  
Maybe I'm delusional  
Is that so unusual?

Didn't mean to offend you  
Was it something I said?  
Put me into your locket  
And pulled me off of the ledge  
Maybe I'm insatiable  
A feeling so sensational

But I'll get by, or maybe I won't  
I can lie and say that I don't  
Waste my time, but lately I know  
It's everything or nothing at all  
Everything or nothing at all  
Everything or nothing at all  
Now that all the feeling is gone  
Everything or nothing at all

Need a new superstition  
One I'll never forget  
Put your book in my pocket  
Put your chain on my neck  
Wouldn't it be dangerous  
If nothing was restraining us?

But I'll get by, or maybe I won't  
I can lie and say that I don't  
Waste my time, but lately I know  
It's everything or nothing at all  
Everything or nothing at all  
Everything or nothing at all  
Now that all the feeling is gone  
Everything or nothing at all

Never mind love and hate  
Peace of mind, it's a bit too late

Nothing at all  
Nothing at all  
Nothing at all  
Nothing at all  
Nothing at all

I'll get by with nothing at all  
Fill my mind with nothing at all  
Waste my time with nothing at all  
It's everything or nothing at all

Never mind love and hate  
Peace of mind, it's a bit too late  
Never mind love and hate  
Peace of mind, it's a bit too late
