

# Over And Out

Foo Fighters

**Em** **Am**  
1. Restless little one  
**Em** **Am**  
Comfortable and warm  
**Em** **Am**  
Let me fall apart  
**G D/F# Em**  
Crippled in your arms

**Em Am Em Am**

**Em** **Am**  
Chase me through the dark  
**Em** **Am**  
Ready on your mark  
**Em** **Am**  
First to reach the stars  
**G D/F# Em**  
Wins a broken heart  
**G D/F# Em**  
One that broke apart  
**G D/F# Em**  
Shattered from the start

**A**  
R: Are you there?  
**G**  
Do you read me?  
**A**  
Are you there?  
**G D/F# Em**  
I don't feel you anymore

**Em Am Em Am**

2. Cages and alarms  
Keeping us from harm  
I will be the guard  
Hope to rest upon  
  
Could I be the one  
To break a will so strong  
Pray it won't be long  
Til your will is gone  
Everything is done  
Nothing left at all

R: Are you there?...

**A**  
Are you there?  
**G**  
Will you give in?  
**A**  
Are you there?  
**G D/F# Em**  
If I give out

**Em A**  
Over and out

**Em A Em A**
