## Foo Fighters

Hey you're right, I caught you on the phone  
Dirty hands  
Been hallucinating, me and Sean  
Time to turn his head and I'm gone  
Yeah who you running from?

Someone left their on the lawn  
Twenty  
Been commiserating, me and Sean  
faces get along  
Yeah who you running from?

Sean,  
Sean,  
Sean,  
Sean.

You've been waiting in the wings  
Waiting in the wings

I was looking for the  
13 hours till I'm back home  
Been obliterated, me and Sean  
Getting good and getting gone  
Yeah who you running from?

Sean,  
Sean,  
Sean,  
Sean.
