The Deepest Blues Are Black

Foo Fighters

```
     F
1. Shame on you
      Es
   Seducing everyone
   F
   Faded you
         Es
   Your diamond in the rough
   B
   You don't have to tell me
   F
   I know where you've been
   As                    F
   Shinning once again

2. Will you do
   The thing you've always done
   Tell me true
   I think you know the one
   One that makes me blurry
   Colors start to run
   Everytime I wonder
   I go under

    F
R1: The deeper the blues
      Emi        B      Ami
   The more I see black
   F              Emi                       B     Ami
   Sweeter the brew the feeling starts coming back
         G                C#
   All the deepest blues are black

3. How my mind is spinning
   And my head is going numb
   Right from the beginning
   Our ending had begun
   I can be your trouble
   Shiver into you
   Shaking like the thunder
   Sinking under

    F
R2: The deeper the blues
      Emi        B    Ami
   The more I see black
   F              Emi                       B     Ami
   Sweeter the brew the feeling starts coming back
         G                C#                    F
   All the deepest blues are deepest blues are black

   F              As
*: When it comes closing in
        Es
   Reject
               B
   Cause I gotta move
```

```
        F                           As
And the simple things get in the openings
        Es
Connect
                B
Become something new
      C#
To remove

R2: The deeper the blues... (2x)
```
