1. I, I'm a one way motorway
                      C             Emi                 D
   I'm the one that drives away, follows you back home
   D                      Ami
   I, I'm a streetlight shining
                       C                  Emi               D
   I'm a white light blinding bright, burning off and on

        C                       Emi              D
R: It's times like these you learn to live again
        C                       Emi             D
   It's times like these you give and give again
        C                       Emi             D
   It's times like these you learn to love again
        C                  Emi             D
   It's times like these time and time again

2. I, I'm a new day rising
   I'm a brand new sky that hangs stars upon tonight
   I, I'm a little divided
   Do I stay or run away and leave it all behind

R: It's times like... (2x)
