

Loop

FO&O

When we burn we don't change our minds
We are stuck inside this loop
We don't dance on the same type of floors
And the rhythm can't change our course

I don't know what to do-o-o-o-o
Can't seem to get through-o-o-o-o
I just wanna be with you-o-o-o-o
Be with you, be with you

I don't know what to do when the night comes and you're feeling lost
Can't seem to get through with the good times when love comes first
I just wanna feel something but we just don't get along
I just wanna be with you, you-o-o

How words turn to rivers on cheeks
It won't kill this hit, oh no
We make guilt and we add it again
I just wish for this loop to end

I don't know what to do-o-o-o-o
Can't seem to get through-o-o-o-o
I just wanna be with you-o-o-o-o
Be with you, be with you

I don't know what to do when the night comes and you're feeling lost
Can't seem to get through with the good times when love comes first
I just wanna feel something but we just don't get along
I just wanna be with you, you-o-o

Love is such a fragile thing
And you're giving me the prove
And I know that I talk too much
But at least I'm painting the truth

I don't know what to do-o-o-o-o
Can't seem to get through-o-o-o-o

I don't know what to do when the night comes and you're feeling lost
Can't seem to get through with the good times when love comes first
I just wanna feel something but we just don't get along
I just wanna be with you, you-o-o

I don't know what to do when the night comes and you're feeling lost
(baby)
Can't seem to get through with the good times when love comes first
I just wanna feel something but we just don't get along
I just wanna be with you, you-o-o
